

## TKT MEMORIAL MIXED – SUNDAY RULES SHEET

RCGA Rules shall govern play except where modified by local rules. Each player is responsible for knowing the rules of golf.

**Front 9 (Alternate-Shot):** You may not lift, clean, and place the ball during the alternate shot format (except bunkers). Nor may you replace your partners ball with your own. **Summer rules, traditional golf.** In the alternate shot format, both players tee off, and proceed to choose their preferred tee shot. Partners then alternate in striking the ball until it is holed

**Back 9 (Scramble):** You may *Lift, Clean and Place* within one scorecard length through the greens during the scramble. In a scramble format, partners will select the best shot after each pair of strokes, and both will play from the selected location. The process continues until the ball is holed.

**A minimum of 3 tee shots from each player must be used during the scramble 9 holes.**

Red stakes/painted lines denote a penalty area. It is now within the rules to ground your club in a penalty area given that the ball is not moved. When a ball is found in a penalty area, the player may either: a) Play the ball as it lies without penalty or b) Play a ball from outside the penalty area by taking relief: 17.1d: (1) Stroke and Distance Relief. One stroke penalty. The player may play a ball from where the previous stroke was made. (2) Back on the Line Relief. One stroke penalty.

If a player seeks relief from the penalty area on hole #5 regardless of what hole the shot was played from, they may take relief under the penalty area rule, or drop in the drop area marked with white paint.

If there is doubt whether a ball is in the penalty area on hole #7, 8, or 12, the player may play another ball provisionally under any of the applicable options in 26-1.

If the original ball is found outside the penalty area, the player must continue play with it.

If the original ball is found

in the penalty area, the player may either play the original ball as it lies or continue with the ball played provisionally under 26-1.

White stakes to right of Hole #10 and the left of hole #18 denote out of bounds.

Free relief shall be taken from all "Ground Under Repair" areas marked off with white paint, **including left side of the cart path on the hole 6 fair way.**

Free relief shall be taken from newly planted trees surrounded by drainage pipe around base.

Free relief shall be taken from piles of aerifying plugs used in the repair of fairways and rough.

Wood Chips & Grass Clippings do not constitute relief, ball must be played as it lies.

Any loose impediments in bunkers are considered movable obstructions.

Through the green, relief may be taken from a ball embedded in its own pitch mark in the ground, other than in a penalty area. The ball may be lifted without penalty, cleaned, and dropped as near as possible to where the original lay, no closer to the hole.

Cart paths & roadways are defined as graveled surfaces. Relief may be taken from a cart path/roadway.

If the ball lies on a putting green other than that of the hole you are playing, the player is entitled to free relief at the nearest point off of the putting surface, no closer to the hole.

**Pace of play will be enforced!** Elapsed time is posted on each tee sign. Keep up with the pace of play as posted. Any group falling out of position (one hole open in front) will be warned and put on the clock. A second warning for slow play will result in a one-stroke penalty.

If in doubt of any rule or procedure, play two balls in and ask for a ruling on completion of play.

**When play is suspended by the committee one (1) prolonged blast of the horn will be heard.**

Referees: Liam Hamlin, Mark Deverell and Andrew Tessier
